April 11th Wednesday 7pm

- There are 311 meters in service.
- Got new hook up application for the Dollar General. This will be a 1” service line.
- With a new water hook up application fee being \$350 - I would like the board to consider to have 2 forms. 1 being a \$350 application fee for new hook ups like we have and to have 1 be Free application fee for new hook ups that are not for profits. Ex - When the youth sports fields a
- Regular upkeep and maintenance was performed.
- Badger meter - Training went good. I have played around with the new meter reading software. It seems to be working good and it is way better than our old reading ways.
- Eye wash and Fire Extinguishers checks have been done.
- We did our monthly water sample required by the D.O.H. MET the bacteriological requirements for a public water supply as set forth in subpart 5-1.5 of the State Sanitary Code under Public Heath Law 225.
- All fire hydrants are in service.
- Our up coming water tests this year are
 - Coliform - Monthly
 - Iron + Manganese - Quarterly (March,June,September,December)
 - Nitrate - Lead & Copper - Secondary Inorganic Chemicals - Principle Organic Chemicals. We will be doing these tests around July.
- We had one application put in for a new water hook up.

Thank You,

Eric Rogers
